Dear [redacted]:

Please be advised that this firm represents the current lender/creditor of your account to whom you are indebted in the amount of \$7,910.06. Currently, the balance in full is overdue and payable; thus far you've given us no other option but to assume you've refused payment.

Today, our firm is willing to stipulate to stop any action provided that you pay \$4,209.00 by May 5<sup>th</sup>, 2021. To accept this offer and execute this agreement you must contact our office and secure your payments via debit/credit card or check.

Upon successful clearance of the settlement amount due, our client will notify the proper credit agencies that the debt is paid as agreed, thus releasing any claim, interest, or liability. Conversely, if the full amount is not paid timely, our client may have a cause of action to pursue further damages and any applicable cost in collection of the debt.

If you have any questions concerning the outstanding obligation or you'd like to remedy the account, please feel free to contact us during normal business hours.

Sincerely,

Samuel Weinberg
